### **LIFT UP YOUR EYES**

The Lord was able to invite others to be attentive to the beauty that there is in the world because He himself was in constant touch with nature, lending it an attention full of fondness and wonder. As He made his way throughout the land, He often stopped to contemplate the beauty sown by His Father, and invited his disciples to perceive a divine message in things: "Lift up your eyes, and see how the fields are already white for harvest" (John 4:35). "The kingdom of God is like a grain of mustard seed which a man took and sowed in his field: it is the smallest of all seeds, but once it had grown, it is the greatest of plants" (Matthew 13:31 - 32).

Jesus lived in full harmony with creation, and others were amazed: "What sort of man is this, that even the winds and sea obey him?" (Matthew 8:27)
