

### *Teegan's a lifesaving champion*

Maris Stella's Teegan Hardwick (Grade 12), was selected for the South African 2017 International Surf Rescue Challenge Team which will be hosted by Surf Life Saving New Zealand in November. Teegan, who has colours for lifesaving, has been training for this since she started lifesaving at the age of seven. Last year, she represented South Africa at the World Lifesaving Championships in the Netherlands, winning a gold medal.
