

GROWING HOPE

Maris Stella pupils Carly Smith, Gabriella Langlois and Mia Francke strutted their stuff at the Morningside school's annual Sunflower Fund Fashion Show last week.

This year's theme was *Back to the Future* and the girls created outfits of the Sunflower Fund totes (tubes of hope, which have replaced bandanas).

"This is the 9th year Maris Stella has supported the Sunflower Fund and we are so proud of our Maris Stella Family, who purchased more than 900 totes this year," spokeswoman Cindy Hudson said.
