## From the Principal's Desk

Dear Parents and Girls

The third term is always busy and exciting, but the end of term and school holidays offers us a most welcome time of rest.

We have celebrated two special events in the past week; our Sports Awards Dinner and Cultural Awards Evening. At these events we recognised and celebrated the achievements of our most inspirational athletes, artists, musicians, dramatists, dancers and public speakers. During both events there was a sense of joy, togetherness and pride coming from girls, teachers and parents – both wonderful family celebrations.

Our Matrics begin their Final Examinations very soon after we return for the Fourth Term, so they will be spending their holiday consolidating their work and applying themselves to thorough preparation. Girls, we as your school family, will keep you in our prayers as you embark on this final stage of your school career.

Wishing everyone a peaceful and relaxing holiday.

Warm regards,

Joan Schmidt

## Sunflower Fund Day

Every year, Maris Stella embraces Sunflower Fund Day with excitement, joy and love, and this year we chose to coincide these festivities with the official arrival of Spring! This is the 9th year that we have supported the Sunflower Fund, and we are so proud of our Maris Stella Family, who purchased over 900 topes this year! Thank you Mrs Aaron, for all your organisation and motivation! Our Prep and High School classes held their annual Sunflower Fund Fashion Show, organised by our Grade 11s. Each class worked together to create an outfit made from topes, and we were so impressed by their stylish and imaginative creations. Many thanks also to all the moms and grans who helped!

The Cardinal was especially delighted and gave the pupils of the various schools such good advice.

### Inter-house Athletics Day

Spirits were high on Friday 12 August at our Prep and High School Inter-house Athletics Day! Congratulations to all athletes for giving your best, and to the spectators for cheering their teams on with such enthusiasm. Well done to Ambrose who won both the Athletics and the Spirit Cup! Special congratulations to our Junior Victrix Ludorum winner, Isabella Halstead and Senior Victrix Ludorum joint winners, Megan Lombard and Courtney du Preez. The top accolades went to Marian, with Patrician winning the Spirit Cup. Well done to all our athletes - your team spirit was incredible, especially in the rousing finale, 'The more we are together, the happier we'll be'!

### Pre-school Sports Day

Our Pre-school girls had such fun at their Sports Day on Friday 16 September! Thank you to all the proud moms, dads, grannies and grandpas in the stands, which made the girls try even harder and smile even wider! Thank you to the Grade 7s who did a great job helping and encouraging our little stars.

**Grade 7 Market Day**

The Grade 7s treated us to a fantastic Market Day on 25 August. From photobooths to pizza, scarves to samoosas, cake pops, raffles and much more, we shopped up a storm! Well done girls, for working so hard on your stalls, and for showing such creativity!

**Reach for a Dream Slipper Day**

We had such fun supporting The Reach For A Dream Foundation's Slipper Day on 11 August!

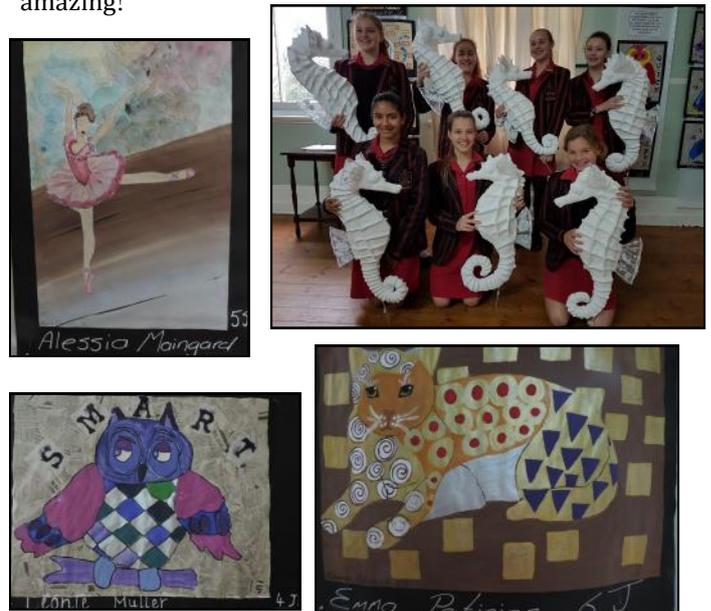

**Grade 8 Sleepover**

The Grade 8s enjoyed a fun Friday evening on 29 July at the Grade 8 Sleepover. The evening started with a picnic supper and was followed by fun games and activities in the MPC, organised by the Grade 12 High School Portfolio. After changing into their pjs, the Grade 8s had a spontaneous dance-a-thon in the hall and it's hard to tell who had more fun....the Grade 8s or the Grade 12s! The evening was rounded off with a movie and a VERY late bedtime. Many thanks to the Grade 8 teachers and Grade 12 leaders for the entertaining evening!

**Prep Art Exhibition**

Our Prep Art Exhibition was an astounding showcase of talent from our budding young artists, as well as a testament to the skill of our Prep Art teacher, Mrs Andrew. Inspired by a wide range of subjects from Warhol to De-gas, endangered toucans to food and flowers, Klimit to seahorses, the variety and quality of work on display was amazing!

**Grade 10 & 11 History Excursion to the Nelson Mandela Capture Site**

**Grade 3 and Grade 6 excursions to Ushaka**

Our Maris Stella Grade 3s thoroughly enjoyed their exciting outing to Ushaka Marine World on 23 August. They explored the Aquarium, dissected fish, had a touch and feel session with some sea creatures, and of course, watched the beautiful dolphins in action!

The Grade 6 classes also went on an outing to Ushaka recently. The girls were welcomed to Sea World by the friendly and knowledgeable staff who had prepared some interactive and fun lessons for them to carry out before they set out to explore the aquarium.

The girls learnt more about the endangered species in our oceans, the different ecosystems the sea animals and plants live in, how pollution is harming the sea life and the specific diets of both the small and large animals found in the aquarium. The highlight of the outing was of course getting to enjoy the very entertaining dolphin show at the end.

**Grade 5 Sweetdale Excursion**

Sweetdale Camp is a lovely venue for an overnight stay as there are so many activities to do. This year the girls had a lot of fun with the zip line and high ropes being firm favourites. There were also other challenging tasks done that showed how important communication and team work are. Many girls conquered their fears and did the more challenging activities. Lots of fun was had by all and many memories were made.

**Grade 2 Outing to Crocodile Creek**

On Monday 12 September, our Grade 2 girls went on an outing to Crocodile Creek in Ballito. What an adventure they had! It was a lovely way to round off their third term theme of African Folktales. It proved to be a very educational experience and the girls had a wonderful time. They all came back with BIG smiles and many stories to share.

### Sports Awards

Our Sports Awards evening on 19 September highlighted the many sporting achievements of our talented athletes. Kelly Ebing, Head of our Sport Portfolio, delivered a beautiful speech in which she advised, "Don't merely just exist, live to the fullest and prove to everyone that you can be that Olympian that you always dreamt of being... Playing sport is like giving away a bit of your heart every time you step onto the field, the diving block, the arena, the running track or the court. The laughs and memories you make rarely fade, they manage to last a lifetime." This sentiment was echoed by our Guest Speaker, Ms Precious Mthembu, a South African Netball player. Congratulations to all the award winners, not just for your achievements, but for your determination and commitment which culminated in these excellent results.

### Cultural Awards

On Wednesday 21 September, our Cultural Awards Evening was a celebration of the accomplishments of our girls in the cultural arena. From music, dance, and public speaking, to art and drama, our Cultural Award winners were applauded for their significant achievements in their respective fields.
